

CF 101

Counter Top Continuous Freezer

1 HP Refrigeration System
Self-Contained, Air Cooled
3 Gallon Hopper
230VAC/60HZ/1 or 3Ø

Produces Frozen Custard, Gelato and other Frozen Desserts

Featuring Ross Quick-Freeze™ Technology

Features

- Quick-Freeze™ Technology
- Counter top model
- “Hold product” mode

Advantages

- Minimizes size of ice crystals
- Minimum counter space needed
- Ability to suspend production

Benefits

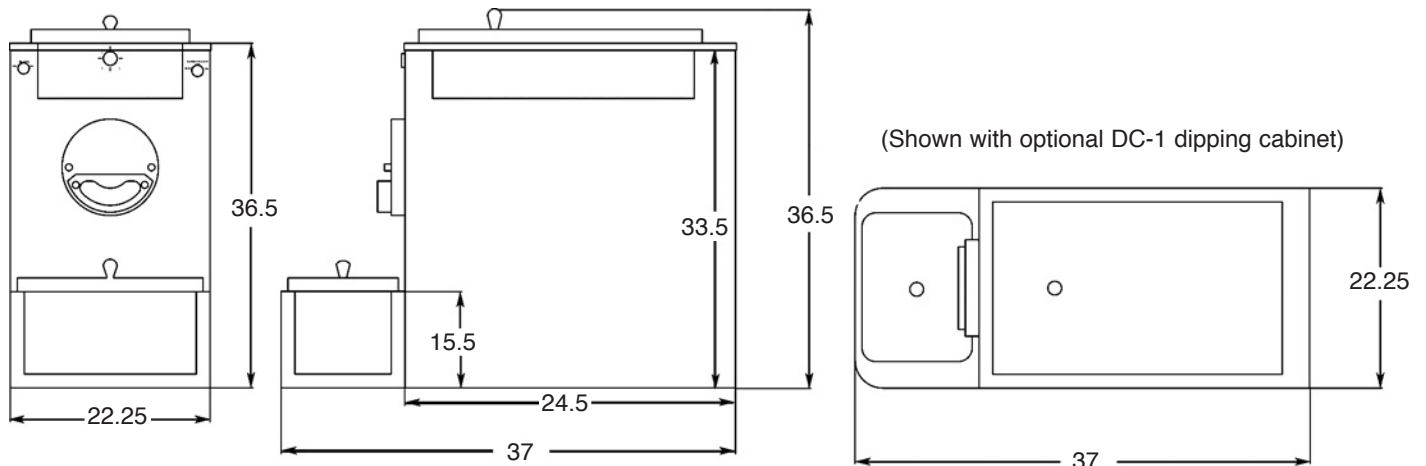

- Smoothest finished product
- Easy to Install
- Match production to demand

The Secret's in the Barrel! 

Made in the U.S. A.

Model CF-101 Counter Top Continuous Freezer
